

Hello, my name is Steven Cappitte, and I am striving to be your next second ward councilman. I was born and raised on the south side of Youngstown and after high school, I joined the United States Marine Corps from 1979-1983. I currently am employed by Stericycle Medical Waste in Warren and have been working there for 27 years. For 35 years, I have been a resident of Campbell with my wife, Loraine. We have two children, Joseph and Gina, and a grandson, Leyton.

I was previously employed part time by the city of Campbell for approximately 7 years in the zoning/ordinance dept. If I were to be elected for councilman, my main goal is to maintain our ward and keep it running as efficiently as it is now. I plan to work as a team with council and administration to resolute any issues that may arise. As councilman, I would be open to hearing all suggestions and concerns from members of the second ward.

In conclusion, I hope my candidacy is considered this election season. If elected, I will work hard throughout my term to represent the second ward in a positive manner. Thank you for giving me the opportunity to run and I hope to see you all on election day.

Sincerely,

Steven J. Cappitte
